CENTRAL DISTRICT OF CALIFORNIA

JANE DOE,

Plaintiff,

vs.

THE CITY OF LOS ANGELES,
et al.,

Defendants.

Case No. CV 07-1403-VAP (RNB)

CASE MANAGEMENT AND
SCHEDULING ORDER
[CIVIL RIGHTS]

DISCOVERY

1. Cutoff Date

All discovery shall be completed on or before **04/18/08**. No discovery may be taken after that date without the prior approval of the Court. Such approval will be granted only in exceptional circumstances and upon a showing of good cause. Discovery taken by deposition is complete when questioning ceases. Discovery taken by written request (interrogatories, requests for production of documents and things, and requests for admissions) is complete on the date when the written response to the request is due.

2. Availability of Discovery

Parties may obtain discovery regarding any matter, not privileged, that

1 is relevant to the claim or defense of any party. See Fed.R.Civ.P. 26(b)(1). Pro se
2 litigants are entitled to discovery in civil rights actions to the same extent as are
3 litigants represented by counsel. Of course, the court may order a complete or partial
4 stay of discovery in appropriate circumstances, including where a defense of qualified
5 immunity is raised.

6 7 **3. Depositions**

8 Any deposition shall be scheduled to commence at least fourteen (14)
9 calendar days after service of the deposition notice and at least five (5) court days
10 before the discovery cutoff date. Pursuant to Fed. R. Civ. P. 30(a)(2), leave of Court
11 is hereby given to depose plaintiff, if plaintiff is confined in prison.

12 13 **4. Interrogatories**

14 Any interrogatories shall be served at least forty-five (45) calendar days
15 prior to the discovery cut-off date.

16 17 **5. Production of Documents and Things**

18 Any request for production of documents or things shall be served at
19 least forty-five (45) calendar days prior to the discovery cut-off date.

20 21 **6. Requests for Admissions**

22 Any requests for admissions shall be served at least forty-five (45)
23 calendar days prior to the discovery cut-off date.

24 25 **MOTIONS**

26 **7. Discovery Motions**

27 Any motion challenging the adequacy of a discovery response, or
28 seeking an order compelling further discovery, shall be filed and served not later than

1 ten (10) calendar days after the discovery cut- off date. The Court expects the parties
2 to resolve discovery problems among themselves whenever possible.
3

4 **8. Substantive Motions**

5 Any motions directed to the Court's jurisdiction or to the merits of any
6 claim or defense (such as a motion to dismiss or a motion for summary judgment)
7 shall be filed and served not later than **05/19/08**. If no party to the action is in
8 custody, the regular Local Rules governing the noticing and briefing of motions shall
9 apply. See Local Rules 7, 56. If any party to the action is in custody, then no hearing
10 date will be set, any opposition to the motion shall be filed and served within thirty
11 (30) calendar days after service of the motion, any reply shall be filed within fifteen
12 (15) calendar days after service of the opposition, and the motion shall be deemed
13 submitted for decision on the basis of the papers timely filed and without oral
14 argument unless otherwise ordered by the Court.
15

16 **STATUS REPORT**

17 **9.** Each party shall file and serve a status report no later than **12/18/08**. The
18 status report shall contain the following information: (a) a summary of the
19 proceedings to date and a statement of the principal issues raised by the case; (b) a
20 statement as to whether all parties have been served, and if not, a proposed deadline
21 by which service will be completed; (c) a statement as to whether other parties will
22 be added or amended pleadings will be filed, and if so, a proposed deadline by which
23 those steps will be taken; (d) a description of any discovery completed, and a
24 schedule for any future discovery; (e) a list of contemplated motions, if any, along
25 with proposed dates for the filing and hearing of such motions; (f) an estimate of the
26 time likely to be required for trial, and a statement as to whether trial by jury is
27 desired and has been properly requested; (g) a description of any settlement
28 negotiations that have occurred, and a recommendation as to the form of settlement

1 conference or other method of alternative dispute resolution that would be most
2 appropriate given the nature of this case; (h) any suggestions the parties may wish to
3 make regarding the management of this action. Where feasible, the parties are
4 strongly encouraged to file a joint status report.

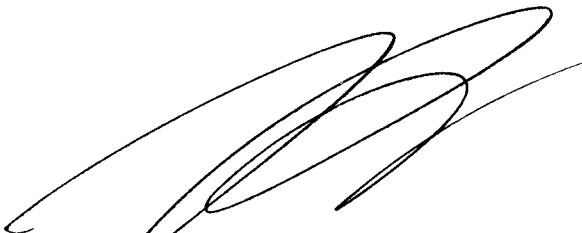

5
6 **COMPLIANCE WITH RULES**

7 **10.** All parties must comply with the Federal Rules of Civil Procedure and
8 the Local Rules of this Court, unless compliance is expressly waived by order.

9
10 **11.** Compliance with the following Local Rules of this Court is waived if,
11 and only if, plaintiff is in custody and not represented by counsel: 7-3; 7-14; 7-15 (all

13 26-1; 37-1; 37-2; 37-3; and 65-1 (but only to the extent that it requires motions for
